FROM THE MANAGER

Make Your Voice Heard

There's an old political saying, "if you're not at the table, you're on the menu." This adage is the perfect answer to the question, "why vote?" It's a blunt description of what happens when you don't engage in the political process.

If you don't vote, you're not only missing the opportunity to support a candidate that shares your views and concerns, you're allowing others to chart a course that impacts your future. That's why we're encouraging all Flint Hills members to recognize National Voter Registration Day on Sept. 22, 2020. Whether you're registering yourself or others to vote or helping members of our community get organized, there are many ways to get involved.

Your Vision, Your Vote

While local elections may not be as exciting as the high-profile presidential election, they are critical. Local elections have a direct impact on your community and on your quality of life.

Like the national level, local elections represent who we are as a community, and more importantly, where we want to go. Whether it's an election for a mayor, sheriff, state representative, school board member, or an electric co-op board member, your vision for the community is tied to your vote.

Voting keeps elected officials accountable. Elections are a direct and tangible source of feedback. For example, Flint Hills REC board members provide strategic guidance on the direction of the co-op and how it serves the community. Local board members embody the voice and identity of the community.

Staying in Sync with the Community

Ultimately, the role of the co-op board is governance. While day-to-day decisions are made by our employees, bigger decisions are made by the board, whose mission is to look out for the vitality of the co-op and our members. Flint Hills' board members provide their perspective on community priorities, thereby enabling us to make more informed decisions on long-term investments.

However, boards are not perfect, and we need you, the members of the co-op, to help keep the system in check. We depend on you and your neighbors to vote so we can stay on course and ensure we are in sync with the community we serve.

A strong voter turnout shows investment in the community and ensures diverse views are represented. The whole community benefits when more people participate in the process because greater numbers reflect a consensus on the direction of the future and the will of the people.

By voting in national, state, and local elections, you are serving as a role model for your family, friends, and colleagues. The act of voting demonstrates your support for the community and helps officials chart a course for the future. Democracy is not a spectator sport. Research candidates, learn about issues on the ballot, and get out and vote! To learn more about National Voter Registration Day or to get involved, visit www.nationalvoterregistrationday.org.

Help Us Locate Former Flint Hills RECA Members

Flint Hills RECA has former members listed below who have unclaimed capital credit refunds that were retired more than three years ago. If you know any of these former members, please have them call us at 620-767-5144. In accordance with the cooperative's bylaws, failure to claim the refunds within 60 days of

notice will cause the total amount of the refund to be irrevocably gifted back to the cooperative.

This list is also on www.flinthillsrec.com, which includes the city and state of the last known address listed on the cooperative's records.
